Is English your first language? Yes

How did you hear about the Writing Commons? Instructor or Advisor

Assignment Description Capstone Project

What would you like help with today? Organizing my writing

Send report to instructor? Yes

Session Report Vamshi scheduled a session with the Writing Commons to discuss their paper. During the session, we read through the paper, focusing on passive voice and where to place figures. The next step for Vamshi is to consider placing a figure in the "Methodology" section. Vamshi is welcome back at the Writing Commons anytime!

Good luck on your paper!

Katie
